Dear Represenative Don Roberts Chair and members of the committee:

My name is Casey Ketchum and I am a brain injury survivor that depends on Medicaid Waiver to cover services I need.

I am very concerned about your proposed cuts to Medicaid and how it could prevent me or folks like me from getting the services needed.

Please do all you can to continue to fund people like me. We depend on you to be our advocate.

Sincerely,

A handwritten signature in black ink, appearing to read 'Casey Ketchum', written over the word 'Sincerely,'.
